The MoonWalk is for people of all abilities to come together with the united aim of raising awareness and raising money for breast and other cancer causes.

Walk the Walk invest their funds wherever we feel it will achieve the most good. Our current ambition is to support the high demand for physical and emotional care of those living with cancer. At the same time, we are committed to raising awareness about prevention, and helping everyone to realise the impact that walking, and being active can have as an important part of prevention against breast and other cancers.
