Summer in the City... is about completing a set distance of 10K, Half Marathon 13.1 miles or Full Marathon 26.2 miles in one go, whilst developing good technique. Regular walking is a wonderful way for anyone to improve their health. Every mile you walk is a healthy mile, and one that will make a difference to those living with cancer. Research has shown that being active, and our lifestyle choices, play an important role in prevention against cancer and all disease.

Walk the Walk grant their funds where they feel they will achieve the most good for breast and other cancers. Covid-19 has created devastating circumstances for those living with cancer and the demand for emotional and physical support has never been greater.

BOOST YOUR DONATION – Gift Aid won't cost you a penny as it comes from income tax you've already paid! For every pound you give us, we get an extra 25p from HM Revenue & Customs. REMEMBER: You must provide your full name, house number or name and street, post code and tick 'giftaid it ✔', for Walk the Walk to claim tax back on your donation.

Gift Aid Declaration If I have ticked the box headed 'Gift Aid it ✔', I confirm that I am a UK Income or Capital Gains taxpayer. I have read this statement and want the charity Walk the Walk Worldwide to reclaim tax on the donation detailed above, given on the date shown. I understand that if I pay less Income Tax / or Capital Gains tax in the current tax year than the amount of Gift Aid claimed on all of my donations it is my responsibility to pay any difference. I understand the charity will reclaim 25p of tax on every £1 that I have given.
